The DeKalb County K.E.Y.S. (Keep Encouraging Youth to Succeed) Initiative and the Kishwaukee Family YMCA are committed to creating a community where youth are valued, investments are made in their well being, and all youth have the opportunity to succeed. The Developmental Assets©, 40 common-sense positive experiences and qualities that help influence choices young people make and help them become caring, responsible adults guide us in our quest for community change.

- Why did the YMCA and KEYS partner?
- How many assets do our youth have?
- What are we doing to build on our strengths and address our deficits?
- What does the future hold?
